A Word from our President

by Zachary Hopkins, DVM, Tennessee Hereford Association President

As we enter into the months of fall with cooler temperatures, shorter days, and the anticipation of winter I am proud of this year's involvement of the association and the future of where we are going. As most can attest, we are fortunate to be in the middle of higher market prices and an evolving market that has a strong demand for Hereford cattle. We are anticipating a strong Nov 15th showing for the Tennessee Hereford Influence Sale. We hope for larger numbers as well as continued higher prices as the purchasers of these cattle are demanding the quality in which has been supplied in the past.

As winter approaches it is common that we are making breeding sire decisions, scheduling flush dates, and marketing breeding animals for early winter breeding programs. As these practices are implemented let us not forget the market in which we are a part of. We are the trend setters and industry standard for efficiency, docility, performance, and athleticism. These are all factors that we must continue to supply. Our breeds' success and future is based on the continued efforts and improvements which we are responsible as breeders to make.

As the fall season is fully underway so is the fair and show season. I would like to say a huge thanks as well as congratulations to the show committee, Nashville Fair committee,

volunteers, and exhibitors for the success of the 2023 State Hereford Show. It is an understatement to say that this is a competitive show. I am very proud of the quality, the exhibitors, and the class in which we have transitioned and transformed the new state show in Nashville. I want to give a special thanks to Meredith Collins, Sally Wingler, and Kay Coley for all the extra work in which they did to make it a success. We are very blessed to have someone who is as talented and hardworking as Meredith and as dedicated as Sally to help undertake such an event. I very much look forward to next year's show and anticipate more entries and higher quality as the word gets out of the magnitude of this show.

As I digress, I want to thank all those that support me as well as the association. I am beyond blessed to have a board as well as committees that love the Hereford breed and are committed to maintaining a standard that other states are envious of. One of my greatest honors is serving as your president and want each of you to know that my main goal is to serve the association in a way that promotes growth and honor in what I consider a profession as well as a way of life as a cattle producer. We are limited by nothing but our dreams and aspirations. As always God bless, and I am always open for discussing any aspects of the Tennessee Hereford Association.

Hereford Women of Tennessee News

by Andrea Rushton, Hereford Women of Tennessee President

As another summer nears its close, the Hereford Women of Tennessee want to congratulate all of our Tennessee Hereford youth on another successful summer season. We especially want to recognize the dedication and hard work of Miss Madison Maupin. Madison has represented our state at many shows, including the Southeast Regional Junior Hereford Show in Batesville, Mississippi as well as the Junior National Hereford Exposition in Madison, Wisconsin. Madison has exhibited poise, grace and a wonderful work ethic in her duties as Tennessee Hereford Queen. She will soon be taking these outstanding qualities to Kansas City in October to compete for the national title. We are excited for others to meet this young lady and we send her our most heartfelt well wishes in this undertaking. Good luck, Madison!

Tennessee Hereford Queen Madison Maupin at the 2023 Junior National Hereford Expo.

Another important event that will take place in Kansas City will be the annual meeting for the National Hereford Women (NHW). This organization works tirelessly in its support of Hereford youth. Tennessee is so proud to be represented by two amazing ladies who serve on this board. Sally Wingler (President-elect) and Beth Mansfield (Secretary) devote so much time and energy to this group and would love to have more members join the NHW. They would be glad to talk with anyone who has questions about joining.

We hope all of our Hereford family has a wonderful fall and completion of 2023. May all upcoming sales, shows or other endeavors be successful for you all.

Faces of Leadership 2023

The Tennessee Junior Hereford Association had 3 juniors that attended this years Faces of Leadership in Columbus Ohio. The juniors that attended were Ella Callicott, Sarah Beth Callicott and Lauren Wingler.

The event was a fun filled from Ohio State University to Select Sires. A tour of the historic OSU football stadium brought the excitement of juniors to the forefront, as they stood on the field gazing up at the stadium seats. An even more special moment followed, as Gene Smith, OSU athletics director, spoke on leadership in young people, an investment he has made a career of. An afternoon spent with Select Sires Inc., tapped into what the industry searches for when hiring.

Looking Back

by Libby Rushton

Libby pictured with her parents Lee and Andrea Rushton after closing ceremonies at the JNHE.

If I could go back and tell myself three years ago just how much my life would be impacted by my time on the junior board, I'm not sure I would believe it. When I first got elected, I remember being so nervous about what was ahead of me. As time went on, I quickly became more comfortable, and knew this was exactly where I needed to be. The people I was surrounded with and the opportunities given to me were unlike anything I could have imagined. Each event I attended, I made new connections, learned new things about the industry, and became a better leader. I cannot even begin to describe the experience I have gained and how much it has changed me as a person. I know the memories I have made over the past three years are ones that will stick with me forever. Although retiring from the junior board was such a bittersweet time, I am more passionate than ever about this breed and the people in it. I hope to continue to do just what I have done the past three years... make connections, continue gaining knowledge about the industry, and become a better leader, and Hereford enthusiast!

I want to say thank you to each and every Hereford Breeder and friend in the state of Tennessee who has supported me over the past years. When my

family first began showing Herefords, I never could have imagined how much my Hereford family would impact my life through the years. Each step of the way, you have been there to support me in every way possible. Your words of encouragement over the years have inspired me in so many ways, and I am so grateful for all of you. Our state, and especially our junior members, are so lucky to have hereford breeders who support them in any way possible, so from the bottom of my heart, thank you. As my junior career comes to an end, I am so excited to look towards the future to continue my journey in this great industry.
